

Missouri University of Science & Technology
Nuclear Engineering Camp

*A One-week Introduction to Nuclear Engineering
For High School Juniors, Seniors, and College Freshman
(as of Fall 2008)*

Session I: July 13 – July 18, 2008

Session II: July 20 – July 25, 2008

Nuclear Engineering Camp program will include:

Tours

- MST Research & Training Reactor
- AmerenUE Callaway Nuclear Power Plant

Focus Groups

- Space Nuclear Power
- Reactor Operations
- Next Generation Reactors
- Nuclear Fuel Cycle

Experiments

- Natural Radioactivity
- Reactor Operations
- Shielding

For Information and Application:

Call 573-341-4720 or send e-mail to nuclear@mst.edu

or visit our Website at www.nuc.umn.edu

Registration fee of \$500* is required (refundable only to students not accepted to the camp). Application deadline is June 15th. Each camper must provide his/her own transportation to and from Rolla on the first and last day of camp. **Registrations are 4:00-6:00 p.m. on July 13 & July 20.**
