The STEM Direction — Follow It!

Keynote Speaker Patricia Ruma Spence
Consultant • Researcher • Philanthropist • Fashionista

Patricia Ruma Spence, a Missouri S&T graduate pursuing her Ph.D. at Penn State, has lived her life inspired by women in STEM (science, technology, engineering and mathematics) who have challenged her to pursue her dreams. Through mentoring, she seeks to empower girls to live healthy and purposeful lives.

Workshops and activities will be held throughout the day with small class discussions.

REMEMBER TO DRESS FOR THE WEATHER AND WEAR COMFORTABLE WALKING SHOES.

STUDENT RESPONSIBILITY

If you attend the Nov. 2, 2012, EYH Conference, it is your responsibility to follow instructions and directions at all times. Also, you must attend all the events scheduled for you, including lunch, and remain on the Missouri S&T campus until the conference is over.

I understand that my child’s photo may be taken at this event on November 2, 2012, on the campus of Missouri S&T and used for publicity in print/web media. I hereby consent to such use and release the Curators of the University of Missouri including individual members, its officers, employees and agents from claims and demands arising out of or in connection with the use of such photos.

Signed (Parent or Guardian): ________________________________ Date: ________________
