Gainful Employment Disclosure for Certificate Program

Name of Program: Enterprise Resource Planning (ERP)

Stand Alone: Yes   Degree Dependent: Yes

Program Description: Enterprise Resource Planning systems can be used to reinforce many of the concepts covered in the business discipline. ERP systems incorporate state-of-the-art technology, providing a comprehensive teaching tool for business and information systems. Universities that have successfully incorporated an ERP system into their curricula find unprecedented student demand for those subjects. There is also an increasing demand for ERP-related research.

Credit hours required to complete the program: 12

Certificate Website: [http://dce.mst.edu/credit/certificates/enterprise_resource_planning.html](http://dce.mst.edu/credit/certificates/enterprise_resource_planning.html)
