Gainful Employment Disclosure for Certificate Program

Name of Program: Manufacturing Automation

Stand Alone: Yes  Degree Dependent: Yes

Program Description: The manufacturing automation certificate program enables working professionals to enhance their knowledge and keep current with technological changes in the area of manufacturing automation. Earning a graduate certificate in manufacturing automation will not only provide students the opportunity to strengthen their academic background, but also offers the possibility of pursuing a master's degree in the engineering management or mechanical engineering graduate programs.

Credit hours required to complete the program: 12

Certificate Website: http://dce.mst.edu/credit/certificates/manufacturing_auto.html

For additional information please contact: Distance and Continuing Education
Email: dce@mst.edu  Phone: 573-341-6222
Address: 216 Centennial Hall, 300 W 12th Street, Rolla, MO 65409

Federal Disclosure Information

OPEID Code: 002517  CIP Code: 14.1901  Credential Level: 04

Months needed to complete certificate: 9

Student’s on-time graduation rate: No Completers for 2010-2011

Tuition and fees for completing this certificate program within normal timeframe:
Resident and Non-Resident: $10,054.80

Estimated costs for books and supplies: $710

Cost of Room and Board, if applicable: N/A

The median cumulative debt for each of the following:
For all students (both borrowers and non-borrowers)

   Federal student loan debt: $0.00
   Private loan debt: $0.00
   Institutional financing plan debt: $0.00

Job placement rate for students who complete the program: No Completers for 2010-2011
Occupational information: Holders of this certificate generally enter into occupations related to Mechanical Engineering.
