Gainful Employment Disclosure for Certificate Program

Name of Program: Mining Engineering

Stand Alone: Yes
Degree Dependent: Yes

Program Description: This certificate program is designed to provide post-graduate formalized education in Mining Engineering. Courses cover the fundamental principles and methods of mining engineering, analysis and design of mining-related systems and mining enterprises.

Credit hours required to complete the program: 14

Certificate Website: http://dce.mst.edu/credit/certificates/mining_eng_certif.html

For additional information please contact: Distance and Continuing Education
Email: dce@mst.edu
Phone: 573-341-6222
Address: 216 Centennial Hall, 300 W 12th Street, Rolla, MO 65409

Federal Disclosure Information

OPEID Code: 002517
CIP Code: 14.2101
Credential Level: 04

Months needed to complete certificate: 9

Student’s on-time graduation rate: Fewer than 10 completers for 2010-2011

Tuition and fees for completing this certificate program within normal timeframe:
Resident and Non-Resident: $11,730.60

Estimated costs for books and supplies: $710

Cost of Room and Board, if applicable: N/A

The median cumulative debt for each of the following:
For all students (both borrowers and non-borrowers)
Federal student loan debt: Fewer than 10 completers for 2010-2011
Private loan debt: Fewer than 10 completers for 2010-2011
Institutional financing plan debt: Fewer than 10 completers for 2010-2011

Institutional job placement rate for 2010-2011: 67%
There is no formal method of tracking job placement for certificate program completers. For 2010-2011, the Missouri S&T Career Opportunities & Employer Relations office reports that 84% of students have firm plans
the time of graduation. This includes students who have accepted a job as well as those moving on to graduate school, the military, etc. For more information, please visit the COER website here: http://career.mst.edu/.

**Occupational information:** Holders of this certificate generally enter into occupations related to Mining and Mineral Engineering.
